			Rather than seek specific amendments to these policies Horizon proposes to rely on the Wylfa Newydd specific policies proposed above which would be the relevant policies against which to make consultation responses to the DCO application and to determine its associated development applications.	
1184	44. Chapter 7 Managing growth and Development – Natural and Built Environment	Policy MWYN9: Borrow Pits	Horizon supports a policy on borrow pits. However, rather than seek for specific amendments to policy MWYN9, Horizon proposes to rely on the Wylfa Newydd specific policies proposed below which will be the relevant policies against which to determine its associated development applications. For this reason Horizon is not proposing specific exclusion of its associated development from these policies.
