GWYNEDD COUNCIL'S 2021/22 BUDGET

Foreword by the Finance Cabinet Member and Head of Finance

Firstly, we would like to thank all the relevant staff for their work in setting Gwynedd Council's 2021/22 budget, and all the Members who contributed to a comprehensive and mature debate at the virtual workshops on 25 - 28 January, and then at the Audit and Governance Committee, Cabinet and full Council meetings.

Having taken a more prudent approach regarding £1.8m of savings plans, mainly in social care, the 2021/22 budget addresses inflation of £6.3m, together with £3.6m provision for additional demand for services (including over £1.8m Children's Care bids and almost £1m Adult Care bids). Gwynedd Council has budgeted appropriately to maintain valuable services for the people of Gwynedd – especially the people and children who are most vulnerable.

There was a 3.4% increase in Gwynedd Council's annual grant from the Welsh Government. That was an extra £6.4m, which met inflation, but was insufficient to also meet the increase in demand for services. Therefore, with only £725k of financial savings available this year, to balance the 2021/22 budget, the Council had to increase the Council Tax by 3.7%. Gwynedd's tax increase of 3.7% is close to the Welsh local authority average, while many Councils are having to implement more cuts, with an impact on their services to residents.

The effects of the Covid-19 crisis has made it very difficult to realise some of the savings we had planned, and the Council's priority was to protect the health and lives of Gwynedd's residents. For 2021/22, the Council decided to increase Council Tax by 3.7% and avoid implementing some savings plans, so that the services that are important to Gwynedd's residents can continue to be provided.

After adding inflation and demand, and deducting the savings, the 2021/22 net expenditure will be £275.7m, to be funded by £194.8m of grant income, together with £80.9m Council Tax. During 2020/21, Gwynedd Council will have claimed over £20m of Government support to cope with the effects of the Covid-19 crisis, not including £85m of grants we have distributed to businesses within the county. This budget is set at a 'normal' level, and does not include provision to cover additional costs or loss of income from the continuing crisis, as we assume that the Welsh Government will continue to fund these aspects from its hardship fund during 2021/22.

Generally, prudent assumptions were made while considering risks with specific grants (including the above), inflation, and income levels, while we have carefully reassessed our ability to achieve savings. The following budget includes provision for additional spending requirements (additional demand for services mentioned above), and when it was approved at the full Council meeting on 04/03/2021 it was a fair estimate of the Council's expenditure requirements and income for 2021/22.

Gwynedd Council is the Lead Authority appointed by the Welsh Government (WG) to manage the North and Mid Wales Trunk Road Agent (NMWTRA). The Agent is a Partnership consisting of the 8 north and mid Wales Unitary Authorities. NMWTRA is responsible for managing and maintaining the trunk road network and associated assets which extends to 1174 km of road network (with 199 km within Gwynedd) and approximately 2000 highway structures including the A55 Tunnels as well as all aspects of the WG highway Intelligent Transport System (ITS). Work carried out by the Agency includes all aspects of trunk road maintenance and improvement, civil engineering, design and supervision. The Agency also has responsibility for managing on behalf of the Welsh Government the Traffic Wales Service (TWS) on an all of Wales basis which includes the Traffic Wales Communications Service, the North Wales Traffic Management Centre and all aspects of WG ITS as well as the Traffic officer Service in the north Wales region. The Agent is also appointed by Welsh Government as Departmental representative to administer the Private Finance Initiative contract for the A55 across Anglesey. NMWTRA staff are located (211) at a number of sites across its network area including: Wrexham (5), Halkyn (35), Conwy (65), Bangor (49), Llandygai (15), Dolgellau (5), Aberaeron (11), Newtown (9) and Llandrindod Wells (17). The agent typically expends £73m - £90m on an annual basis on behalf of WG. All the Agency costs are recovered from Welsh Government

THE CAPITAL BUDGET 2021-2022

Capital expenditure involves the provision of new assets for the Council, or the substantial improvement of assets which will be of benefit for a number of years. Also the Council provides various grants, mainly to the private sector to improve Gwynedd's housing stock.

Capital expenditure can be financed from four sources; borrowing, grants and contributions, capital receipts and revenue.

Borrowing

The prudential system for local authority capital finance was introduced on 1 April 2004. Its legislative base is contained in the Local Government Act 2003 and the regulations subsequently made by the Welsh Government enable local authorities to determine their own levels of affordable borrowing. Therefore under the prudential system authorities have to decide for themselves how much they can afford to borrow based on a prudent assessment of their capital expenditure requirements. There is a duty for each authority to set an affordable borrowing limit in advance of each financial year, and to monitor their position against the limit and ensure that it is not exceeded. However, the Welsh Government does announce, as part of the annual settlement, a figure which represents the borrowing level which is supported within the Revenue Support Grant, the unencumbered supported borrowing.

The Council borrows most of the money to finance schemes from the Public Works Loan Board and repays it with interest over a number of years.

Grants and Contributions

As part of the annual settlement the Welsh Government allocates a general capital grant. For some capital schemes, the Council receives specific grants and contributions from Welsh Government, Central Government and other bodies.

Capital Receipts

A receipt arising from a disposal is defined as a capital receipt if the authority were the buyer in such a transaction, expenditure on the acquisition of the asset would be classified as capital expenditure – the “mirror principle”. A capital receipt is defined as such if the total proceeds from a disposal are more than £10,000.

When the Council sells assets which are surplus to requirements, the whole amount may be used to finance General Fund capital schemes.

Revenue

The Council may also spend part of its revenue budget or balances on capital schemes.
