

LleCHI LleNI Community Grant Assessment Criteria

Stage 1: Mandatory criteria assessed by Cyngor Gwynedd officers

Criterion	Yes / No
Is the organisation eligible for funding?	
Has the application form been completed in full and are all required documents enclosed?	
Does the application propose to meet Welsh-language requirements of the scheme?	
Does the application propose to meet the requirements of the scheme with regards to equality?	
If working with under 18s or vulnerable adults does the application meet scheme requirements?	
If applicable, have relevant consents been obtained?	
Has the application deadline been met	

Stage 2: Panel assessment criteria

Criterion	Score out of 5 (5 = strongly met, 3 = adequately met, 1 = poorly met)	Percentage weighting
How well does the application meet the priorities of the scheme?		20%
How well does the application engage with LleCHI LleNI target audiences? (Range of audiences, ability to reach audiences, overall number who will benefit).		20%
How well does the application evidence the demand for the activity/project and make the case of why support is needed now? This can also include whether the applicant or community has already received investment for similar activities (priority will be given to those that have not).		10%
How well does the application offer value for money? (including impact of activity/project in relation to cost, whether other sources of income have been explored, are other similar projects already in existence?)		15%
How well does the application convince the panel that it will meet the timeline set out?		10%
How well does the application show that those delivering the activity/project have the necessary skills and experience?		10%
How well will the activity/project deliver a legacy beyond the period of funding?		15%
